

Nau mai, Haere Mai

Coromandel Area School wants to get your views on what the future of education looks like at our kura. We are holding three hui in our rohe. We want the community and our whānau to have their say, so we can get it right for our ākonga.

Come & meet our new tumuaki, Koren Hopoi, & help answer the following three pātai:

1. What would your ideal school be like?
2. What do you think 'good learning' should look like?
3. What do you want a CAS School Leaver to be like?

Come along to one of these informal chats and share your views and ideas that will help guide the future direction of Coromandel Area School. Light supper & tea/coffee provided.
